

### Highlights from the Altarnun Parish Council meeting on Wednesday, 7<sup>th</sup> January 2015

Chair Dowler; 7 Parish Councillors & the parish council's grounds manager met at the Altarnun Village hall for the first meeting of the New Year.

After the holiday season break there was a light agenda with detailed consideration of the following planning matters:- **PA14/11389** about further tree lopping work to a multi stemmed sycamore on the edge of the Penleat House garden which was noted; **PA14/11414** seeking permission to convert a barn previously used as an administration office into a dwelling at Tredaule Manor Farm – whilst the Parish Council saw no objection in principle to the proposed application it noted concerns raised by neighbouring residents about potential impact & problems with shared sewage, drainage, parking & access, design & privacy matters and asked Cornwall Council's Planning Office to ensure that the technical concerns were thoroughly investigated and addressed in the formal approvals process; **PA14/11962** seeking to discharge a 106 obligation imposed in 2003 on land at Valley View Dry works, Bolventor. The Parish Council noted that an associated Agricultural Occupancy Condition (AOC) would remain in place for dwellings on the property and raised no objection to the proposal; **PA14/12200** requesting permission to vary condition 2 of PA14/01349 for construction of a granite stable block & yard to replace a timber agricultural shed & store to a timber frame/cladding structure with alterations to the roof design raised no objection.

The Council also discussed & noted a pre-consultation advisory from Savills about CTIL's (Cornerstone Telecommunications Infrastructure Ltd – a joint venture between Vodaphone Ltd & Telefonica UK Ltd) proposal to replace & upgrade an existing mobile phone mast base station, for improved 3G/4G coverage @ Pennant Farm, Four Winds, Blisland, PL30/4HH, with a 15m phase 4.5 monopole structure supporting 6 antennas, 3 remote units & 2 communications dishes (0.6m in diameter) and raised no objections or immediate questions.

Councillors expressed concerns about health & safety of residents and visitors after damage and rubbish were left by an ad hoc rave/invasion at Halvanna. Local roads had been obstructed and private property encroached. Enquiries on prevention and clean up were being pursued.

The meeting closed with a run through of limited correspondence, authorisation of financial transactions & general discussion about potential severe weather maintenance preparations and progress on continuing road repairs.

The next Parish Council meeting will be held at 7.30pm on Wednesday, 4<sup>th</sup> February 2015 in the Altarnun Village Hall.

All residents are welcome.

Clerk to Altarnun Parish Council – January 2015
