

Altarnun Parish Council
invite you to a

Public Consultation
Meeting
to discuss

ALTARNUN SCHOOL
at 6 pm (Doors open at 5.45pm)
on
Wednesday 21st February

This is your chance to share your views either positive or negative about YOUR school. The Adventure Learning Academy Trust, the School Principal and relevant Cornwall Council Officers have been invited to explain how their plans will address the concerns of the Council and residents and what steps are planned to secure the long term future of the only school within the Parish.

The Parish Council cordially invites all residents but particularly want to hear the views of those who have children at the school now, those who have felt compelled to move their children from the school and those with young children approaching school age to this meeting. This may be your only opportunity to share your views with the people that matter.

If you have a comment you would like to make but don't feel comfortable to discuss this within a public meeting please feel free to complete a comment slip and post it in the box at the Village Hall and this will be addressed on your behalf.
