

Altarnun Parish Council have purchased the public telephone boxes in Altarnun Village and Five Lanes. Notices issued by BT have been posted in the respective boxes confirming that they are no longer the property of BT.

The Parish Council plan to convert the Altarnun box into a small free community library run on an honesty system & the Five Lanes box into a community defibrillator site. It hopes to bring the schemes on stream by Easter 2019.

Further details and requests for assistance will follow..... watch this space.

Clerk Altarnun PC
