

Community Ownership Fund

The Ministry of Housing, Communities and Local Government (MHCLG) has published the **prospectus** for its £150 million Community Ownership Fund to enable community groups to bid for up to £250,000 matched funding to help them buy or takeover local community assets. There will be 8 bidding rounds over the next four years, beginning on 30 July. Local authorities, including local (parish and town) councils, will not be able to bid but can play a role in working with eligible community groups. MHCLG is also hosting two information webinars on **20 July** and **23 July**.

Unfortunately the first two webinars were quickly fully booked.

However, we have today been informed by the Community Ownership Fund :

There will be a **third webinar session** held on **Thursday 29th July at 11am - 12pm**, which you can **sign up** for using this link: <https://www.eventbrite.co.uk/e/community-ownership-webinar-tickets-164313067809>.

CoF also plan to record the second webinar session and can make this available.

Please email COF@communities.gov.uk if you require any further details.
