With regard to Freedom of Information Act, this letter, together with any responses received by this Council, may be available for public inspection at some future date.

Although there are various exceptions within the legislation that might prevent disclosure of an enquiry, all of these have to be seen against the 'public interest' test. This means that in every case, an Authority may refuse to disclose information only if in all the circumstances of the case, the public interest in maintaining the exception outweighs the public interest in disclosing the information.
